AST Mission Statement & Vision

AST Mission Statement:
Building a stronger community together, united by our love of God.

AST Vision:
To provide an outstanding Catholic comprehensive education where the Gospel values are lived on a daily basis, so that our children are well prepared to achieve their maximum potential; becoming rounded global citizens, immersed in the Catholic faith, who will become the leaders of the future and advocates for change.

In order to achieve this vision, we aim to promote:

- Dignity
- Solidarity
- The common good
- The option for the poor
- Peace
- Creation and environment
- The dignity of work and participation
- Hope and Aspiration

As an inclusive and diverse family of schools we ensure that we serve the local community, welcome all pupils of the Catholic faith, the Christian faith, or other faiths or of no faith.

The following outcomes illustrate the realisation of our vision:

- Whole person development (cognitive, spiritual, emotional, physical, cultural, moral and social)
- Excellent progress for all pupils
- Individual high academic achievement
- An active prayer life with sacramental opportunities for all pupils
- Personal fulfilment and engagement for all adults
- Efficient and effective shared services, expertise and partnerships as a result of working as one Trust
