1. INTRODUCTION

- 1.1 All Saints' Trust (referred to herein the "**Trust**") was established on 25 November 2015 as a multi academy trust and, in consequence of it entering into both a Master Funding Agreement and a number of Supplemental Funding Agreements (the "**Funding Agreements**"), operates and maintains a group of Catholic schools in the Diocese of Westminster (the "**Academies**"). The Academies shall at all times remain Catholic schools, conducted in conformity with any trust deed governing the use of land used by the Trust and in conformity with canon law and with the teachings of the Catholic Church. Both the Trust and the Academies must comply with any advice or directive issued by or on behalf of the Diocesan Bishop.
- 1.2 The Trust is both a company limited by guarantee, registered at Companies House (Company Number 9887971) and, by virtue of its charitable object "to.... advance the Catholic religion in the Diocese by such means as the Bishop may think fit and proper by establishing Catholic schoolsand with the approval of the Archbishop other Academies" (i.e. schools which are not Catholic schools) is a charity. The Trust is not a registered charity but an "exempt" charity, regulated by the Secretary of State for Education, who acts as the principal regulator.
- 1.3 The Trust's constitution is set out in its Articles of Association and this Scheme of Delegation has been put in place in accordance with the provisions of the Articles and should be read in the light of them.
- 1.4 The purpose of this Scheme of Delegation is to provide clarity as to the role and responsibilities of those who contribute to the governance of the Academies and the Trust itself. All those with governance and management responsibilities must be familiar with this Scheme of Delegation so that appropriate steps can be taken to ensure there is sufficient and proper challenge of those with leadership responsibilities, to ensure that senior leaders are held to account for the performance of the Academies and that there is financial stability within the Trust.
- 1.5 This Scheme of Delegation will apply to each of the Academies.
- 1.6 The Effective Date of this Scheme of Delegation is 1 January 2016 and it will be reviewed every year, on the recommendation of and in consultation with the Heads & Chairs' Advisory Forum.

2. VISION AND VALUES

2.1 To provide an outstanding Catholic Comprehensive education from 4- 18 years old for young people in Harrow and Brent.

2.2 The Academies, and those responsible for the governance and management of the Trust and the Academies, have committed to working in partnership, supporting one another. The drafting and adoption of this Scheme of Delegation has been guided by the following principles:

2.2.1 **Catholic Ecclesiology**

The Trust is part of a family of Catholic schools that exist to further the Church's saving mission by educating its young people in accordance with the teachings of the One Teacher, Jesus Christ. In carrying out any functions on behalf of the Trust all Members, Directors and those in any way involved in the business of the Trust and the Academies recognise the Archbishop of Westminster as the Chief Teacher and the focus of unity in the Diocese and will carry out those functions and responsibilities in full communion with him and in accord with the mind of the Catholic Church. Accordingly, the functions of the Trust and the Academies will be conducted in accordance with the following principles and observing the commitments set out in the Diocesan Memorandum of Understanding.

2.2.2 **Equal Partners**

The Academies are equal partners within the Trust and at all times the partners will strive for consensus in decision making, recognising that each Academy has both strengths and weaknesses. The Academies will seek to preserve and protect each other's distinctiveness and will be respectful of each Academies' respective ethos and mission. The Academies will work collaboratively with each other, sharing resources, knowledge and best practice, to fulfil the Trust's mission, vision and values.

2.2.3 **Transparency**

All those involved in the running and oversight of the Trust and the Academies will be open and honest in their dealings with each other,

at all times acting in good faith and recognising the value of independence and separation in relation to decision making.

2.2.4 **Subsidiarity**

Decisions are to be taken at the level nearest to those affected by those decisions which is compatible with the principles of solidarity and support for the common good, avoiding unnecessary bureaucracy and aiming in so far as possible to make changes to established practices only where it can be demonstrated there is a reasonable need. Where governance responsibility is delegated appropriate decision making authority will be given. The parameters of such authority will be clear and those to whom responsibility is given will be required to report to those who retain overall responsibility.

2.2.5 **Solidarity**

All those with responsibility for the Trust and the Academies share a particular commitment to the mutual support of all Academies for whom the Trust is responsible, especially those that are in need of assistance at any particular time. Accordingly, this Scheme of Delegation recognises the obligation to contribute to the common good of all Academies from out of the resources entrusted to them. The Directors will ensure that common action and collaboration is conducted at the correct level and that the balance between subsidiarity and solidarity serves the common good in the most appropriate way.

2.2.6 **The Common Good**

All recognise their responsibility towards the common good, not just of the Academies for whom the Trust is responsible and the wider Diocesan family of schools, but of all of the families and communities in the areas served by the Trust. In light of the principle of common good, those with particular responsibility for an Academy acknowledge the desire and obligation on the Directors to put in place measures to ensure that any Academy for whom the Trust is responsible is supported when the need arises.

3. ACCOUNTABILITY: GOVERNANCE AND MANAGEMENT STRUCTURES

3.1 Overall Structure

- 3.1.1 The nature of the Trust as a company running multiple academies means there are many governance and management layers.
- 3.1.2 The “**Members**” of the Trust are equivalent to shareholders of a trading company but as the Trust is charitable with no power to trade or distribute profit to shareholders, the Members are best viewed as guardians of the constitution, ensuring the charitable object is fulfilled. Each Member’s liability is limited to £10 and, in view of the limited liability and therefore scope for accountability, they have limited governance and no day to day management responsibilities.
- 3.1.3 The corporate management and “**Director**” responsibility for the Trust is vested in the “**Directors**”, who will also be the company directors registered with Companies House. The Directors are personally responsible for the actions of the Trust and the Academies and are accountable to the Members, the Secretary of State for Education and the wider community for the quality of the education received by all pupils of the Academies and the expenditure of public money. The Directors are required as Directors and pursuant to the Funding Agreements to have systems in place through which they can assure themselves of the quality, safety and good practice of the affairs of the Trust. The Directors meet as a board of Directors, generally known as the “**Trust Board**”. All Directors have the same responsibility to act in the best interests of the Trust and the Academies, irrespective of their role on the Board i.e. whether appointed in an executive capacity or appointed as a representative of the Academies.
- 3.1.4 The Directors oversee the management and administration of the Trust and the Academies run by the Trust and delegate authority and responsibility to others, including executive officers and individuals who are locally based who can undertake the day to day management and governance of the Academies. The Trust Board will continue to have the necessary strategic and legal oversight of the Trust and will monitor all activities; determining the strategic direction of the Trust, assessing the performance of the Academies and establishing and reviewing the policies and practices governing the life of the

Academies, at all times being supported and working with both the Strategic Advisory Board and the Local Governing Committees.

- 3.1.5 Article 101 of the Articles of Association provides for the appointment by the Directors of committees or working groups to whom the Trust Board may delegate certain functions and responsibilities. The Trust Board has established “**Local Governing Committees**” for each of the Academies and their power is derived from the Trust Board. Like the Directors on the Trust Board, the individuals (the “**Governors**”) serving on a Local Governing Committee are also responsible for fulfilling a largely strategic, governance role in the conduct of the Academies in conjunction with a “**Principal**” (executive headteacher, headteacher or head of school, as the case may be), who is responsible for the internal organisation, management and control of the Academy (or Academies where schools are federated or an executive arrangement is in place). The Trust Board will also delegate management responsibility directly to the Principals, who will report primarily to the Local Governing Committee but subject to the oversight exercised by the Trust Board.
- 3.1.6 The Trust Board has also set up a committee, the “**Heads & Chairs’ Advisory Forum**” of representatives of the Academies to provide a focus for the setting of policy and to develop the strategic vision of the Trust. The Heads & Chairs’ Advisory Forum will both support and challenge the Trust Board and will facilitate communication between the Trust Board and the Local Governing Committees as well as provide an opportunity for the Academies to explore and develop areas of collaboration and shared working. This group will also act as a strategic advisor on educational matters to ensure the long term success of the Academies and that continuous improvement is made within all Academies. The Heads & Chairs’ Advisory Forum will meet at least once a term and will advise on matters relating to; teaching and learning, leadership and management, curriculum development, transition and pupil support and achieving sustained attainment. The Trust Board recognises the important role played by the Heads & Chairs’ Advisory Forum and commits to keeping the Heads & Chairs’ Advisory Forum informed and to have regard to any advice or guidance provided by the Heads & Chairs’ Advisory Forum on any matter affecting the Trust or the Academies.

3.2 Role of the Members and the Diocesan Education Service

3.2.1 The Members are the guardians of the constitution, determining the governance structure of the Trust and providing oversight and challenge of the Directors to ensure the charitable object of the Trust is being fulfilled. Whilst the Members have limited legal and financial responsibility for the affairs of the Trust, the Department for Education recommends that there is some distinction between the Members and the Directors as “this enables members who are independent of the trustees to provide challenge and scrutiny to the board” (Governance Handbook November 2015). In view of the overarching role of the Members, the Diocesan Bishop will be a Member together with the Diocesan Corporate Director.

3.2.2 The Members’ key responsibilities are:

3.2.2.1 to ensure the Objects of the Trust are met, the Annual Report should address this which will be presented to the Members either at the Annual General Meeting or by other means;

3.2.2.2 to determine the Trust’s constitution and governance structure, i.e. the Articles which will have been finalised on incorporation; and

3.2.2.3 exercising either a direct power under the Articles or a statutory power under the Companies Act 2006 to appoint and remove Directors (noting any power of the Trust Board or the Bishop to make such appointments), which should be exercised sparingly given the management responsibility is vested in the Trust Board.

3.2.3 The Bishop, through the Diocesan Education Service, will also exercise oversight and supervision as diocesan authority and the Diocesan Memorandum of Understanding seeks to articulate this. The Members, Directors and Governors are required to observe any requirements and conditions of the Diocese.

3.3 Role of the Directors and the Trust Board

3.3.1 The Directors have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and

maintaining of the Academies (which includes taking existing schools into the Trust). The Directors have the power to direct change where required.

3.3.2 As Directors of a charity, the Directors have a fiduciary duty to act in good faith in the best interests of the charity. This duty includes a responsibility to do the following:

3.3.2.1 to ensure compliance with any legal obligations;

3.3.2.2 to report on the charity's activities (the Trust must prepare accounts in accordance with the Statement of Recommended Practice for Charities, the so called "**Charity SORP**");

3.3.2.3 to fulfil the charitable object of the charity as set out in its constitution (i.e. the **Articles of Association**) and to act in a way which is compliant with the rules of the charity contained in the Articles;

3.3.2.4 to act with integrity and to avoid any personal conflicts of interest and not to misuse any charity funds or assets;

3.3.2.5 to act prudently in the financial management of the Trust, avoiding putting any assets, funds or reputation of the Trust at undue risk;

3.3.2.6 to exercise reasonable care and skill, using personal knowledge and experience to ensure the Trust is well run and efficient; and

3.3.2.7 to act responsibly, getting advice from others, including professional advisors, where appropriate.

3.3.3 The Directors must act independently and in the best interest of the Trust even if those interests conflict with those of the body or organisation that might have appointed or nominated such Director to serve on the Trust Board, this will include a conflict of loyalty where there is no obvious benefit involved, as well as a conflict of interest. The Trust Board has adopted a formal **Conflict of Interest Policy**, attached to this Scheme of Delegation as Appendix 5, in order to assist all those involved in the running of the Trust at every level to avoid and

manage conflicts. Specific attention must be given to any arrangement whereby a Member or Director will personally benefit from an arrangement and the Conflict of Interest Policy makes reference to the ESFA's guidance on "related party transactions" which all those involved in the running of the Trust must have regard to. This does recognise however the fundamental and necessary relationships between the Members (including the Diocese), the Directors and the Academies in both governance and management terms and that individuals may serve in a number of capacities and at numerous levels within the Trust.

3.3.4 The specific tasks and responsibilities of the Trust Board are as follows:

3.3.4.1 to determine and fulfil the shared vision and ethos of the Trust and the Academies, acknowledging the uniqueness of each individual Academy and the needs of the communities they serve;

3.3.4.2 to develop a strategic plan for the Trust and to effectively communicate that plan so this can be implemented across the Trust and all the Academies, including determining any future expansion of the Trust and the relationship that the Trust has with the Diocese and the Secretary of State for Education (including also the Department for Education, the Education Funding Agency and Ofsted);

3.3.4.3 to develop and support strategic partnerships with other bodies and organisations, including service providers and government agencies, which will further the Trust's strategic plan;

3.3.4.4 to act as a critical friend to each of the Local Governing Committees and to ensure they are effective;

3.3.4.5 to determine and implement policies and procedures which it is intended will achieve a consistently high standard of education and financial prudence across the Trust dealing with (but not limited to) the following:

- Human Resources/Employment

- Audit & Risk Management
- Contingencies and Reserves (both central and at Academy level)
- Governance
- Health & Safety
- Operational Matters
- Data Management
- Complaints and Appeals
- Legal Compliance

3.3.4.6 As and when applicable work with the Advisory Committee(s) to develop the local capacity within the Trust to provide both governance and leadership support and mentoring to the Local Governing Committees and the leadership teams, as well as direct school improvement support, facilitating the development of the Academy Action Plans where required;

3.3.4.7 working with the Diocese and having regard to any recommendations by the Diocesan Education Service, to make or facilitate the making of suitable appointments of governors who will serve on the Local Governing Committees, including removing governors who fail to fulfil the expectations on Governors set out in this Scheme of Delegation;

3.3.4.8 to determine the budget for any shared or central expenditure and support and to monitor the individual Academy budgets (acknowledging the full delegation of the Academy's budget to the Local Governing Committee as set out in this Scheme of Delegation);

3.3.4.9 to monitor and evaluate the delivery of the central or shared services and functions provided by any Executive Team, ensuring there is comprehensive support to the Academies and procuring any strategic third party services as determined appropriate;

- 3.3.4.10 to ensure there is a proper system for the internal audit of the accounts of the Trust (including the Academies) and the financial procedures followed by the Academies, facilitating the auditing of the Trust's accounts by the Trust's auditors, establishing a formal audit committee adopting the terms of reference set out in Appendix 4 which will be responsible for carrying out periodic internal audits of the Academies' financial processes, procedures and accounting records;
 - 3.3.4.11 to act as the ultimate decision maker in relation to any appeals by staff following disciplinary or grievance procedures;
 - 3.3.4.12 to ensure proper advice is available to the Trust and the Academies in relation to legal and compliance matters;
 - 3.3.4.13 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and Director liability;
 - 3.3.4.14 to liaise with and support the Local Governing Committees ensuring there is collaboration not just within a region but across the whole Trust, emphasising and facilitating the benefits of such collaboration.
- 3.3.5 The following are the core competencies and skills expected of all Directors:
- 3.3.5.1 to work as a team;
 - 3.3.5.2 to attend meetings and be prepared to contribute to discussions;
 - 3.3.5.3 to be respectful of the views of others and to be open to new ideas and thoughts;
 - 3.3.5.4 to treat all confidential information confidentially;
 - 3.3.5.5 to develop a deep understanding of the vision and ethos of the Trust, in particular its Catholic purpose, and its

Academies and the roles played by all individuals in fulfilment of the Trust and the Church's mission;

3.3.5.6 to understand the policies and procedures of the Trust and how these flow down to the Academies;

3.3.5.7 to support the Trust and the Academies in public and act as an ambassador;

3.3.5.8 to commit to training and skills development

3.3.5.9 to be ready to ask questions;

3.3.5.10 to be focussed on problem solving and be ready to learn from past experiences.

3.3.6 Specific skills may be needed if a Director is to take responsibility for and lead on a specific area. A regular skills audit will be undertaken and Directors should expect to be able to articulate their contribution to the success of the Trust and the Academies.

3.4 **Executive Functions**

3.4.1 As a non-executive body, the Trust Board must rely on others to fulfil the executive functions. For the most part, this responsibility will fall on the Principals / Headteachers of the Academies, supported by the leadership teams. Certain functions relating to the management of the Trust itself or which relate to the activities of more than one Academy may be undertaken by an "**Executive Team**", who may also fulfil a function in the Academies.

3.4.2 The need for and size of the Executive Team will be determined by the Trust Board, in consultation with the Heads & Chairs Advisory Forum. Where possible, resources will be drawn from the Academies themselves rather than the use of external consultants or through recruitment. This will include the identification of a person who will fulfil the roles of the "**Accounting Officer**" and "**Chief Financial Officer**" as required by the Academies Financial Handbook. For more information on these roles please see the [Scheme of Financial Delegation]

3.4.3 The likely principal functions of the Executive Team are:

- 3.4.3.1 to manage the conversion of schools to Academies. Prior to a school's conversion, the Executive Team will carry out relevant due diligence to establish the school's position and identify any actions required to address areas of weakness or opportunities for improvement [(including the formulation of a 12 month strategic plan for the Academy (the "**Academy Action Plan**")]], and, in conjunction with the DfE, relevant Local Authority and the Trust's solicitors, will manage the associated legal processes;
- 3.4.3.2 following conversion and where appropriate, to assist with the development and implementation of the Academy Action Plan;
- 3.4.3.3 to provide operational and management support to the Principals / Headteachers and senior leadership teams within the Academies (including assisting with budget setting);
- 3.4.3.4 to facilitate the production of management information on the Academies and to support the production of the Trust's and the Academies' financial accounts;
- 3.4.3.5 support any Trust wide projects;
- 3.4.3.6 to ensure that insurance or risk protection cover is put in place and maintained for all risk areas including damage to property, employer liability, public and third party liability and Director and governor liability;
- 3.4.3.7 to undertake the strategic management of the whole school estate, advising the Trust Board on areas of risk and assessing the Trust's overall safeguarding responsibilities, including assisting the Local Governing Committees in drawing up a long term estate plan which identifies areas in need of expansion and/or development and areas likely to be surplus to requirements; and
- 3.4.3.8 to take a lead on any capital bids and allocations, supporting the Academies' premises teams to carry out works safely and cost effectively.

3.4.4 The cost of the functions undertaken by the Executive Team and the Trust Board are generally funded on a fair and equal basis by the Academies by the contribution of a percentage of the central government funding provided for each Academy the “**Support Cost Contribution**”). This contribution will be set each year against a budget for the shared costs approved by the Trust Board in consultation with the Heads & Chairs Advisory Forum. The percentage may vary according to the level of activities undertaken and costed on a menu type basis. Additional funding received by the Trust from other non Academy sources (such as other government grants) will contribute directly to the shared costs and will offset the Support Cost Contribution required from the Academies.

3.5 **Role of the [Heads & Chairs’ Advisory Forum]**

3.5.1 The Trust operates across a wide area identified by the Diocese with an emphasis on the grouping Academies in a local cluster in order to promote shared working and to build leadership capacity and expertise, with an emphasis on standards and school improvement. Where a Heads & Chairs’ Advisory Forum has been established, it shall meet at least 3 times per year to agree the regional strategic direction for the Academies in the Trust and the local priorities in so far as these relate to standards and school improvement targets.

3.5.2 The Heads & Chairs’ Advisory Forum will also provide a forum and focus for performance benchmarking and will support the Local Governing Committees and the Trust Board, facilitating peer to peer review. It will advise the Trust Board on the agreed strategic focus for the Academies, as well as the threats and opportunities facing the Academies.

3.5.3 Terms of Reference for the operation of the [Heads & Chairs Advisory Forum] are attached to this Scheme of Delegation as Appendix 6.

3.5.4 The Trust Board will have regard to the interests of all the Academies in deciding and implementing any policy or exercising any authority in respect of any one or all of the Academies for which it is responsible. Notwithstanding this, the priority for the Trust Board is to put in place measures to ensure that any of the Academies are supported when the need arises. Where this may have a financial impact on the funding

of the support provided by or on behalf of the Trust Board, any policy shall first be discussed with the [Heads & Chairs' Advisory Forum] and its views taken into account in relation to the setting and implementation of any such policy.

3.6 The role of the Governors and the Local Governing Committees

- 3.6.1 The role of a Governor within a multi academy trust is an important one. In developing a governance structure, the Trust has sought to ensure that as much as possible the responsibility to govern is vested in those closest to the impact of decision making and that such responsibility matches the capacity of those assuming responsibility. The Trust Board has established Local Governing Committees for each of the Academies, for the most part made up of individuals drawn from the Academy's community, both as elected and appointed members, with an emphasis on appropriate skills and experience.
- 3.6.2 The Governors serving on such Local Governing Committees are accountable to the Trust Board (which in turn of course is accountable to the Bishop, the Members and to the Department for Education) as well as to the communities they serve.
- 3.6.3 Whilst not Directors under charity law, nevertheless, the Governors are under a duty to act in good faith and in the best interests of the Academy and the Trust, which includes all the Academies. This duty includes a responsibility to do the following:
- 3.6.3.1 to ensure the Academy complies with its legal obligations;
 - 3.6.3.2 to fulfil the charitable object of the Trust;
 - 3.6.3.3 to act with integrity and to avoid any personal conflicts of interest and not to misuse any charitable funds or assets of the Academy or the Trust;
 - 3.6.3.4 to act prudently in the financial management of the Academy, avoiding putting any assets, funds or reputation of the Academy or the Trust at undue risk;

- 3.6.3.5 to exercise reasonable care and skill, using personal knowledge and experience to ensure the Academy is well run and efficient;
 - 3.6.3.6 to act responsibly, getting advice from others from within the Trust and if appropriate external professional advisors;
 - 3.6.3.7 to act as an ambassador of the Trust and in a way which is consistent with the vision and ideals of the Trust.
- 3.6.4 Governors must act independently and in the best interest of the Academy even if those interests conflict with those of the body or organisation that might have appointed or nominated them to serve on the Local Governing Committee. As with the Directors, the Governors must comply with the Trust's Conflict of Interest Policy.
- 3.6.5 The specific tasks and responsibilities of the Governors are as follows, with further detail set out in Section 4 of this Scheme of Delegation:
- 3.6.5.1 to fulfil the vision and ethos of the Trust in so far as it relates to the Academy, ensuring that the Academy achieves the aims and ambitions it has for its pupils, having regard in particular to the benefits of being part of a family of schools which stresses the importance of collaboration and mutual support;
 - 3.6.5.2 to implement and review from time to time the strategic plan for the Academy (including any initial Action Plan), focussing on the Academy's performance and achieving sustained school improvement [and having regard to any locally agreed priorities identified by the Heads & Chairs' Advisory Forum];
 - 3.6.5.3 to act as a critical friend to the Academy's senior leadership team, being ready to challenge and hold senior leaders to account for all aspects of the Academy's performance;
 - 3.6.5.4 to oversee the management of the finances of the Academy, assessing the annual budget prepared by the Academy's Principal / Headteacher (with the support of the Academy's senior leadership team) and submitting such for approval by the Trust Board, ensuring that the Academy works within its

budget and the Academy's senior leadership team adopts and implements appropriate risk and financial management policies and practices including in particular any adopted by the Trust Board for application across all the Academies;

3.6.5.5 to support the Academy's Principal / Headteacher in the development and review (from time to time) of an appropriate staffing structure for the Academy, ensuring there is robust and accountable monitoring of the performance of staff and implementing all and any policies relating to staff adopted by the Trust Board;

3.6.5.6 to support the Trust Board in its monitoring and evaluation of the delivery of any central or shared services and functions provided or procured by the Trust for the Academies, reporting any issues or concerns to the Executive Team and, if necessary, the Chair of the Trust Board;

3.6.5.7 to promote the benefits of collaboration with the other Academies and to actively seek opportunities to work together either with the aim of improving economic efficiencies within the Academies or identifying and implementing best practice;

3.6.5.8 to develop effective links within the Academy's community, (especially parents and carers) communicating openly and frequently as appropriate and ensuring that the Academy meets its responsibilities to the community and serves the community's needs in relation to the safeguarding and education of its pupils; and

3.6.5.9 to engage fully and openly with any inspection of the Academy, whether by the Trust Board, the Diocese, Ofsted or any other appropriate public body to whom the Academy is accountable.

3.6.6 Individual Governors may be given primary responsibility for particular functions such as standards, finance, premises and resources with the view to matching skills and experience to functions. This will not affect collective and overall individual responsibility but Governors are

expected to use their skills and experience in the fulfilment of their duties.

3.6.7 Subject to the provisions of the Companies Act 2006 every member of the Local Governing Committee or other officer or auditor of the Trust acting in relation to the Academy shall be indemnified out of the assets of the Trust against any liability incurred by him or her in that capacity in defending any proceedings, whether civil or criminal, in which judgment is given in favour or in which he or she is acquitted (including where there has been an investigation but no formal charges brought) or in connection with any application in which relief is granted to him or her by the court from liability for negligence, default, breach of duty or breach of trust in relation to the affairs of the Trust.

3.6.8 As with the Directors, the following are the core competencies and skills expected of all Governors:

3.6.8.1 to work as a team;

3.6.8.2 to attend meetings and be prepared to contribute to discussions and commit to agreed actions;

3.6.8.3 to be respectful of the views of others and to be open to new ideas and thoughts;

3.6.8.4 to treat all confidential information confidentially;

3.6.8.5 to develop a deep understanding of the vision and ethos of the Trust and its Academies and the roles played by all individuals in fulfilment of the Trust's mission;

3.6.8.6 to understand the policies and procedures of the Trust and how these flow down to the Academy;

3.6.8.7 to support the Trust in public and act as an ambassador of the Trust;

3.6.8.8 to commit to training and skills development

3.6.8.9 to be ready to ask questions;

3.6.8.10 to be focussed on problem solving and be ready to learn from past experiences.

3.6.9 Specific skills may be needed if a Governor is to take responsibility for and lead on a specific area. A regular skills audit will be undertaken and Governors should expect to be able to articulate their contribution to the success of the Academy.

3.6.10 The Trust Board also recognises the role that the Academies play in their communities and the Local Governing Committee is free to decide how such support and patronage is given. The Local Governing Committee shall ensure that any support is not inconsistent with the objects of the Trust and the restrictions on the use of its charitable resources and any advice or restriction placed on the Trust by either the Diocese or the Secretary of State (including the Charity Commission). The Local Governing Committee shall ensure that any formal collaboration or support with third parties, including with those with whom the Trust has a strategic partnership is appropriately documented and the details notified to the Audit Committee to assess effectiveness and where financial support is provided for accounting reasons.

4. DELEGATED AUTHORITY AND RESPONSIBILITIES OF THE LOCAL GOVERNING COMMITTEE

4.1 General Provisions

- 4.1.1 The Trust Board reserves the right (subject to consultation with the Heads & Chairs' Advisory Forum and any guidance issued by the Diocesan Education Service or approval required from the Bishop and the Diocesan Trustees) to review and alter this Scheme of Delegation and the level of delegated responsibility at any time, noting that it is likely to be reviewed for its effectiveness at least every two years. Whilst the Scheme cannot take the form of a legally binding contract and is subject to the overriding duty on the Directors to act freely and in the best interest of the Trust, in so far as the Directors are able they agree to abide by the provisions of it and will consult the Local Governing Committees on any significant changes.
- 4.1.2 Those to whom delegated responsibility is given must acknowledge the limitations on their authority and must not act outside of their authority. Any wilful disregard of the matters expressed in this Scheme is likely to lead to the Scheme being withdrawn. In the event of any serious disagreement between the Trust Board and a Local Governing Committee, which cannot be resolved by the Chair of the Local Governing Committee discussing the matter with the Chair of the Trust Board, will be referred to the Diocesan Education Service for guidance.
- 4.1.3 As a matter of general principle, the Local Governing Committee will adopt and will comply with all policies adopted by the Trust Board and will comply with any direction issued by the Trust Board and have regard to any advice given. The Local Governing Committee will also comply with any requirements of the Diocese and adopt any guidance issued by it.
- 4.1.4 Subject to the provisions of the Companies Act 2006, the Articles and to any directions given by the Members following a special resolution, the governance and management of an Academy shall be delegated by the Trust Board to the relevant Local Governing Committee. The Governors shall exercise all the powers of the Trust Directors in so far as they relate to the Academy, only in accordance with the terms of this Scheme of Delegation, any Trust policy and specific agreement

between the Trust Board and the Local Governing Committee. No alteration of the Articles or change to the Scheme shall invalidate any prior act of the Local Governing Committee which would have been valid if that alteration had not been made. Except as provided for in this Scheme of Delegation, the powers given by this Scheme shall not be limited by any special power given to the Directors by the Articles or to the Local Governing Committee by this Scheme of Delegation and a meeting of the Local Governing Committee at which a quorum is present may exercise all the powers so delegated.

4.2 Finance and Audit

4.2.1 Except as provided for in this Scheme of Delegation, in addition to all powers hereby expressly conferred upon the Local Governing Committee and without detracting from the generality of the powers delegated, the Local Governing Committee shall have the following powers, namely:

4.2.1.1 to expend the funds of the Trust received in respect of the Academy in such manner as the Local Governing Committee shall consider most beneficial for the running of the Academy, acknowledging the responsibility of the Local Governing Committee to pay the Support Cost Contribution levied by the Trust; and

4.2.1.2 to enter into contracts on behalf of the Trust in so far as they relate to the Academy and are within the scope of the Local Governing Committee's responsibility as set out in this Scheme of Delegation, subject to the limits to act without specific authorisation as set out in the [**Financial Regulations Manual**] [**Scheme for Financial Delegation**] annexed to this Scheme of Delegation as Appendix 1.

4.2.2 Each Academy will have its own bank account, opened by the Trust when the Academy joined the Trust, which shall be operated by the Local Governing Committee. All cheques, BACS and other electronic orders for the payment of money from such account shall be signed by or authorised in accordance with the [Financial Regulations Manual] [Scheme of Financial Delegation].

- 4.2.3 No Trust monies (whether or not authority to expend has been devolved to the Local Governing Committee) shall be paid into any bank account other than a bank account authorised by the Trust Board.
- 4.2.4 The Trust's accounts shall be the responsibility of the Trust Board overseen by the Audit Committee but the Principal / Headteacher of the Academy shall provide such information about the Academy, as often and in such detail and format as the Audit Committee shall reasonably require, in order to carry out an internal audit of the Academies in accordance with the requirements of the Academies Financial Handbook. Without prejudice to the above, the Principal / Headteacher shall provide management accounts in an approved format to the Audit Committee at least once per term (three times per year) or as requested by the Audit Committee. These accounts may be shared with the Diocesan Education Service (or Diocesan finance office) at their request.
- 4.2.5 The Local Governing Committee shall ensure that proper procedures are put in place for the safeguarding of funds and that the requirements of the Academies Trust Handbook and the Funding Agreements are observed at all times as well as any requirements and recommendations of the Audit Committee and the ESFA. For the avoidance of doubt the Local Governing Committee acknowledges the restriction on borrowing contained in the Funding Agreements.
- 4.2.6 The Trust Board acknowledges the Local Governing Committee's right and intention to use any voluntary (i.e. non grant) funds (including any restricted funds) raised by the Academies for the purposes for which they have been raised and otherwise solely at the discretion of the Local Governing Committee provided this is within the charitable object of the Trust. Proper accounts will be kept by the Principal / Headteacher showing the receipt and use of such funds and the extent to which such funds are restricted, in the light of the obligation on the Trust to note these funds separately in the Trust accounts.
- 4.2.7 The Trust Board also acknowledges that from time to time the Academies themselves may seek to generate additional funds by undertaking certain activities, such as: lettings, the provision of sporting and recreational facilities, running a nursery and/or providing childcare, teacher training, leadership support, school

improvement, providing and supporting ICT and other administrative services. In some cases and particularly where such activities do not fall within the charitable object of the Trust, these may need to be channelled through a trading subsidiary, decisions about which will be made by the Trust Board. Any income generated from such Academy activities and/or gift aided by a trading subsidiary to the Trust in respect of a particular Academy's activities shall be delegated to the relevant Local Governing Committee. Such funds will however be noted separately in the accounts of the Academy and, like all Academies' funds, will be subject to any reserves policy operated by the Trust Board.

4.2.8 The Local Governing Committee shall make sufficient funds available to enable the Trust to place such insurance or risk protection cover as is necessary to protect the Academy and the Trust from loss and other risks that shall include (but shall not be limited to) the following, such insurance or risk protection cover to be placed either with the Diocese's own insurer (currently Zurich Municipal) or through the ESFA Risk Protection Arrangement scheme as directed by the Trust Board and the Diocese:

4.2.8.5 terrorism and business interruption;

4.2.8.6 money and fidelity;

4.2.8.8 engineering.

The Local Governing Committee will fulfil any requirements of the insurers and will notify the Trust Board as soon as reasonably practicable following the occurrence of an event where loss has been suffered or is threatened. The responsibility for notifying the insurers or the ESFA (as the case may be) is the Principal's / Headteacher's.

The Executive Team and the Principal / Headteacher will provide each other with all necessary information and assistance as may be helpful in the management of any claims.

4.3 Curriculum and Standards

- 4.3.1 The Local Governing Committee shall be responsible for the setting and review of the curriculum priorities for the Academy, but shall have regard to any views of the Trust Board in recognition of the Trust Board's obligation to the Secretary of State to provide a broad and balanced curriculum and to the Diocese in respect of the teaching of RE and more widely.

- 4.7.1 Whilst the undertaking of any activities which would be described as part of the Academy's "extended schools agenda" or any activities designed to generate business income, will be the responsibility of the Local Governing Committee, this shall only be undertaken in a manner consistent with any policy set by the Trust Board and having regard to the viability of such activities, the impact on the Academy's activities and any financial implications, such as the threat of taxation in light of the Trust's charitable objects and any threat to funding provided by the Secretary of State. The financial implications are noted above.
- 4.7.2 The Local Governing Committee is responsible for all community engagement and consultation and will acknowledge and reinforce the vision of the Trust in all communications. 5. SUPERVISION AND INTERVENTION - RISK MANAGEMENT

5.1 Supervision and Reporting

5.1.1 Notwithstanding the level of delegated responsibility, the Directors remain legally responsible for all matters in connection with the Academies and they are required to have systems in place through which they can assure themselves of quality, safety and good practice in the Academies.

5.1.2 At least once per school year, the Trust Board will request and the Local Governing Committee (or Principal / Headteacher) will provide an [**“Operational Risk Management Report”**] in a format specified by the Trust Board. [The current form of report is annexed to this Scheme as Appendix 3.]

5.1.3 The Local Governing Committee is appointed as a sub-committee of the Trust Board and as such has no separate legal status to that of the Trust or the Trust Board. Consequently, any act or omission of the Local Governing Committee or any officer of the Trust or the Academy that subsequently leads to prosecution or other litigation will be a liability of the Directors and any event in an Academy that might lead to public criticism or adverse publicity or damage to the reputation of the Trust will also be concern for the Trust Board. In such events and in order to minimise risk, the Chair of the Local Governing Committee or the Principal / Headteacher will as soon as reasonably practicable advise the Chair of the Trust Board (and if appropriate a member of the Executive Team). These events will include the following (but shall not exclude any other event that falls within the generality of the circumstances described above):

5.2 **Intervention and Removal of Delegated Responsibility**

5.2.1 The Local Governing Committee shall work closely with and shall promptly implement any advice or recommendations made by the [Trust Board] in respect of standards and performance, particularly where areas of weakness have been identified by either the Diocese or Ofsted.

5.2.2 In the event that intervention is either formally threatened or is carried out by the Secretary of State, the Trust Board expressly reserves the unfettered right to review or remove any power or responsibility conferred on the Local Governing Committee under this Scheme of Delegation in such circumstances. Any Local Governing Committee of any Academy which is to be sponsored by the Trust will be dissolved and a transition board put in place, the details of which are referred to below.

5.2.3 Notwithstanding the above, the Trust Board and the Local Governing Committee acknowledge the value of maintaining a good working relationship particularly in light of the levels of delegated responsibility within the Trust and the impact this may have on the ability of the Trust Board or the Local Governing Committee to react when standards are falling and/or there is evidence of financial imprudence exposing the Academy or the Trust to a threat of intervention. The Trust Board and the Local Governing Committee in such circumstances make the following commitments to each other:

5.2.3.1 to discuss openly any weaknesses or any situation which may in the opinion of either potentially lead to a threat of intervention by the Secretary of State;

- 5.2.3.2 to use all reasonable endeavours to agree the measures to be taken to improve standards and the performance of the Academy and to support each other in the implementation of those measures, including involving the Diocesan Academy Strategic Board who will support and advise on steps to be taken and facilitate additional support if needed;
- 5.2.3.3 to allow each other the opportunity to effect improvements at the Academy provided such steps do not seek to undermine the collaborative and respectful approach being adopted by each;
- 5.2.3.4 not to remove or deny delegated authority without first agreeing to put in place for an appropriate period of time a transition or improvement board whose responsibility it will be to address the areas of weakness, the terms of reference for such “**Intervention Board**” being set out in Appendix 7 to this Scheme;
- 5.2.3.5 not as the Trust Board to exercise any power to remove a Principal / Headteacher or to attend and vote at any meeting of the Local Governing Committee at which this is to be discussed without first discussing with the Chair of the Local Governing Committee the need to ensure that such power is being exercised appropriately and proportionately.

APPENDIX 1

FINANCIAL REGULATIONS MANUAL/ FINANCIAL SCHEME OF DELEGATION

The Local Governing Committee

The Local Governing Committee has wide discretion over its use of the Trust's funds received in respect of the Academy. It is responsible for the proper stewardship of those funds and for ensuring economy, efficiency and effectiveness in their use – the three key elements of value for money. It must also ensure that it uses its discretion reasonably, and takes into account any and all relevant guidance on accountability and propriety. It is accountable to the Trust Board who in turn is accountable to the Secretary of State for Education and Parliament.

It is specifically responsible for ensuring that the Trust's funds are used in accordance with: the law; the Trust's powers under the Funding Agreements, the Articles of Association, this Scheme of Delegation and the Academies Financial Handbook.

The Finance Committee

The Finance Committee is a committee of the Local Governing Committee. The Finance Committee meets at least once a term but more frequent meetings can be arranged if necessary. The main responsibilities of the Finance Committee include:

- the initial review and authorisation of the annual budget for each Academy;
- the regular monitoring and scrutiny of the Academy management accounts;
- reviewing any Trust Procurement Policy and the Scheme of Financial Delegation;
- reviewing and checking details of any contracts and purchases by the Academy;
- authorising the award of contracts and purchases;

- liaising as necessary with the Trust's Risk and Audit Committee (or the Trust Board if appropriate) to ensure accountability and propriety and to manage the level of financial risk within the Trust as well as review the effectiveness of the financial procedures and controls.

Accounting Officer

As required by the Academies Trust Handbook, the Trust has appointed an Accounting Officer who has overall responsibility for the Trust and each Academy's activities including financial activities. The Accounting Officer is personally responsible to Parliament and to the accounting officer of the ESFA for the resources under the control of the Trust. The essence of the role is a personal responsibility for the propriety and regularity of the public finances for which they are answerable; for the keeping of proper accounts; for prudent and economical administration; for the avoidance of waste and extravagance; for ensuring value for money; and for the efficient and effective use of all the resources in their charge. Essentially accounting officers must be able to assure Parliament and the public of high standards of probity in the management of public funds.

Much of the financial responsibility of the Accounting Officer has been delegated to the Principal and School Business Manager of the Academy but the Accounting Officer still retains responsibility for:

- ensuring the annual accounts are produced in accordance with the requirements of the Companies Act 1985 and the ESFA guidance issued to academies;
- completion of the accounting officer's statement on governance, regularity, propriety and compliance for inclusion in the Trust's annual report;
- establishing and reviewing the procedures for the authorising and entering into of contracts and legal commitments;
- overseeing expenditure and advising the Trust Board where significant expenditure is anticipated, and;
- where indicated in this Financial Regulations Manual Scheme for Financial Delegation signing cheques and authorising BACs payments in conjunction with the bank mandate.

Chief Financial Officer

As required by the Academies Trust Handbook, the Trust has appointed a Chief Financial Officer who is responsible for the development and implementation of the accounting and financial processes adopted by the Trust. The Chief Financial Officer plays both a technical and leadership role, including ensuring sound and appropriate financial governance and risk management arrangements are in place, preparing and monitoring of budgets, and ensuring the delivery of annual accounts. The Chief Financial Officer may also support in an administrative function, supporting the business management teams in the Academies and ensuring there is consistency in financial procedures across the Trust. The Chief Financial Officer will lead on any procurement of supplies and services to the Trust as a whole or any strategic procurement to be undertaken by an individual Academy.

Shared Costs

The Trust Board will determine the shared costs for all of its schools. These shared costs will be for the provision of central services across the Trust.

Accounting Policies (please see annual trustees report and financial statements)

Including: Charging Policy, Governor's Allowance Policy and Pay Policy

All accounting policies shall ensure that:

- Accounts are a fair presentation of the school's financial position and the transactions in respect of that financial year;
- Income and expenditure relate to the services provided in the same financial year, and that provision is made for income and expenditure earned/used irrespective of when the amounts are actually paid or received;
- Accounts are prepared on a prudent basis with income only being included to the extent that is likely to be received, and that proper allowance is made for all known liabilities and losses.

Appeals Mechanism

The Trust will give consideration to the funding needs and allocations of each constituent academy.

The appeals mechanism is described below for academies who may feel that they are being treated unfairly by the Trust.

The Academies Trust Handbook states:

“If a constituent academy’s principal feels that the academy has been unfairly treated, they should first appeal to the trust. If the grievance is not resolved, they can then appeal to the Secretary of State, via ESFA ESFA’s decision will be final and can result in pooling provisions being dis-applied”. (Section 5-31)

The Trust appeals process is:

- The constituent academies have 10 working days from the issuing of a statement from the Trust to the academy to appeal
- Appeals should be made in writing directly to the Chief Executive Officer (CEO)
- The CEO will consider the appeal and notify the academy of their decision within 10 working days of receipt of the written appeal

Internal Controls Framework

Internal Controls includes policies and procedures that:

- Pertain to the maintenance of accurate complete and permanent records
- Provide reasonable assurance that transactions are properly recorded and authorised
- Safeguard assets

The Local Governing Committee and Headteacher will ensure that:

- Adequate systems of internal control are established, adhered to, tested and regularly reviewed
- Staff have a clear understanding of the consequences of lack of control and knowledge of these Financial Regulations.

The Local Governing Committee shall put in place appropriate measures to achieve effective internal financial controls. These include:

- Adequate operation of budgetary control and accounting systems;
- Adequate supervision;
- Physical safeguarding of property and staff;
- Segregation of duties;
- Maintenance of local information systems;
- Adherence to authorisation and approval process (including signatories)
- Audit arrangements
- Risk Management

1. Separation of Duties

All Saints' Trust maintains this document to reflect the day-to-day management of financial administration. As far as possible, the allocation of duties has been made to ensure that the same person is not responsible for a process from start to finish. This will reduce the risk of error or intentional manipulation. As far as is possible, the following functions are separated:

- Authorisation
- Execution

e.g. the authorisation of orders and invoices (Dept Budget Holders) is separated from the placing of orders (Finance Officer) and signing of cheques (Headteacher / Deputy Headteacher)

- Custody
- Recording

e.g. the responsibility for managing assets (BURSAR) is separated from the recording of items on the inventory (Network Manager) and again from the annual checking process (Dept Budget Holders)

- The responsibility for system development from the operation of the system
- Access profiles

e.g. the development of the computer based packages is separated from the day-to-day users. Profiles are set within the system to restrict access to specific areas only.

For expenses incurred by the Headteacher, approval is obtained from either the Chair of Finance / Chair of Governors or the two nominated Deputy Headteachers. Other authorised signatories sign cheque reimbursements to the Headteacher.

2. Approved Signatories

Authorisation of an action, transaction, etc is a key internal control. Staff are expected to exercise authority only where they have been delegated the power to do so. In any event, authorisation should be clearly recorded by the individual's signature and printed name. The Finance Office will maintain specimen signature schedules. External agencies, notably the payroll provider, will be notified of changes to authorised personnel promptly.

All orders and invoices are authorised for payment by the delegated Budget Holder. Details of all Budget Holders are held within the Finance Office listing the name of the Budget Holder and their signature. This record is retained securely.

3. Maintenance of Complete and Permanent Records

Complete financial records are maintained at all times so that transactions are traceable from the original documentation to the accounting records and vice versa. Where amendments are required, the person making the change initials the alteration. Records are authorised or approved independently from the person completing them, e.g. bank reconciliations and the records are signed to reflect this.

4. Review and Assessment of Procedures

On an annual basis, the auditors undertake an assessment of the school's financial systems to ensure that effective controls are in place.

5. Audit arrangements

The Local Governing Committee will ensure that access to financial records is given to our external auditors, Landau Baker.

6. Risk Management

Each Local Governing Committee will regularly review the areas of risk within the school both in terms of people and premises, including the following areas:

- identifying and assessing risks
- determining appropriate actions
- implementing the actions
- monitoring the results

The findings of any risk assessments are formally reported to the Premises Committee.

7. Safeguarding Assets

Each Local Governing Committee is responsible for the safe custody of stocks, stores, cash and valuables at the school and in transit.

The Network Manager is responsible for the maintenance of an inventory for all assets. The inventory is kept on a separate computer software program, Wasp. The register is held on a web-based server.

All portable equipment belonging to the school is security marked with a barcode.

8. IT Systems

IT systems are used to process and record financial, student, personal and other management data efficiently. It is therefore important that such information is properly protected and backed up with access restricted only to authorised users.

- Data Protection

Each school and Local Governing Committee has a current Data Protection Act registration that has to be renewed on an annual basis. The registration is the responsibility of Bursar to ensure continuous renewal.

- IT System Back-up Procedures

Although the precise practices will vary across the academies. The following principles **MUST** be adhered to:

- All data must be backed up daily onto two devices
- One of these devices must be offsite or not in the main academy building

In addition

- All data should be backed up onto 2 sets of encrypted tapes weekly, one set should be kept off site and the other stored onsite in a fireproof safe OR
- All data should be backed up externally off-site by the school's IT Support Provider.

- Access Rights

Only authorised staff have access to computer hardware and software used for school management. The Network manager sets access rights at the appropriate level for each member of staff. Passwords are kept securely.

- Software

Only authorised software is used in school to prevent viruses being imported. Anti-virus software is installed on computers used for academy management.

Custody and smooth-running of the accounting system and records is the responsibility of the Network Manager who ensures that all staff are familiar with the procedures. Access to computer records is restricted at the following user levels:

Headteacher

Complete access to all records.

Bursar

Complete access to financial and personnel records.

Head's PA

Complete access to personnel records.

Finance Officer

Restricted access to finance modules only.

Other Administration Staff

Access to relevant modules only (e.g. timetables pupil records etc.)

Budget Holders

No access. All queries are resolved by the procedures outlined herein.

Investments

See Appendix 8

Novel and/or contentious transactions

Novel payments or other transactions are those of which the academy trust has no experience, or are outside the range of normal business activity for the trust. Contentious transactions are those which might give rise to criticism of the trust by Parliament, and/or the public, and/or the media. Novel and/or contentious transactions **must** always be referred to ESFA for explicit prior authorisation.

Investigation of fraud, theft and/or irregularity

The trust **must** notify ESFA, as soon as is operationally practical based on its particular circumstances, of any instances of fraud, theft and/or irregularity exceeding £5,000 individually, or £5,000 cumulatively in any academy financial year. Any unusual or systematic fraud, regardless of value, **must** also be reported.

Pooling of GAG by Multi-Academy Trusts

A multi-academy trust has the freedom to amalgamate a proportion of GAG funding for all its academies to form one central fund. This fund can then be used to meet the normal running costs at any of its constituent academies within the trust. In accordance with its funding agreement a multi-academy trust **must not** pool PFI funding.

The multi-academy trust **must** give individual consideration to the funding needs and allocations of each constituent academy, and **must** have an appeals mechanism in place. If a constituent academy's principal feels that the academy has been unfairly treated, they should first appeal to the trust. If the grievance is not resolved, they can then appeal to the Secretary of State, via ESFA, whose decision will be final and can result in pooling provisions being dis-applied:

APPENDIX 3

RISK MANAGEMENT POLICY AND FORM OF RISK REPORTS

Principles

The Directors have overall responsibility and ultimate decision making authority for all the work of the Trust, including the establishing and maintaining of the Schools (which includes taking existing schools into the Trust). The Directors have the power to direct change where required.

The Directors have delegated authority for the running of each of its Schools to a Local Governing Committee, who in turn fulfils a governance and oversight role in the conduct of the School, further delegating authority to the Headteacher and senior leadership team who are responsible for the internal organisation, management and control of the School on a day to day basis. The responsibilities of the Local Governing Committee are set out in the “Scheme of Delegation”.

Risk management must prioritise and protect:

- The safeguarding of high quality and effective education of the young people in the Schools;
- The contribution made by staff to the success of the Trust and the Schools;
- The reputation and ethos of the Trust and the Schools and the principles upon which the Trust was founded;
- The common good in terms of the interests of the families in the communities served by the Schools and the pupils of the future; and
- The Scheme of Delegation and the balance struck between central management and local responsibility.

The responsibility of each Local Governing Committee

It is the responsibility of each Local Governing Committee (the Governors) to implement, monitor and verify such policies and procedures to facilitate an annual statement of compliance on those risks identified by the Board. The Governors should take such steps needed to meet their legal obligations including the requirements of the Department for Education (or any successor body) as they relate to the operation of the Schools. The Governors should provide resources to mitigate identified risks and declare any non-compliance to the Directors. The Governors should commission on a regular basis external verification of internal systems so as to ensure the systems fitness for purpose and compliance to current standards.

The responsibilities of the Directors

It is the responsibility of the Directors to identify those risks which arise from academy status and membership of a multi-academy trust and develop policies and procedures which mitigate these risks (taking account of the principles identified above). To mitigate financial risk the Directors will require all Schools to use approved banking arrangements, audit arrangements, financial management systems, and premises insurance and building surveyors. Rigorous safeguarding policies are also a requirement for all Schools.

Beyond these areas the Directors should identify risks common to all Schools, set policy frameworks but seek not to impose specific control mechanisms for these risks as responsibility lies with the individual Local Governing Committees. The Directors should receive compliance reports from the Local Governing Committees (and declarations of non-compliance) and develop systems to support (having regard to the principles of subsidiarity and solidarity) individual Schools to mitigate risk to the Directors and the Trust generally.

Operation of the Risk Management Policy

To assist the Trust Board in fulfilling its function, the Directors may establish a “risk management committee” made up of appointed Directors, representatives of the Local Governing Committees and the Leadership Group, and others as may be required. The terms of reference should identify that a minimum of two Directors should serve on this committee, with one being present for the committee to be quorate. The risk management committee may be a function of the Audit Committee or work alongside it.

It is the duty of this committee to review the termly schedule of self-assessments made by individual Schools’ Local Governing Committees, consider how to support Schools to mitigate identified risks and report to the Trust Board each term on the risks identified.

The Nature of the Risks

- **The safeguarding of those involved in the enterprise**

The Directors and Local Governing Committees will be required to have safeguarding (including safer recruitment and e-safety) policies which comply with the requirements of the appropriate Safeguarding Board.

- **The employment of those involved in the enterprise**

The Directors and individual Schools should have a suite of legally compliant and common personnel policies, supported by advice and insurance.

- **The stewardship of the premises and site and the health, safety and welfare of those who use the site**

The Directors reserve the right to direct individual Schools with regard to the insurances of Trust property (buildings, land and assets) and to approve and be kept informed of planned capital works. The School should develop comprehensive health, safety and welfare policies to include systems to monitor compliance with regulation and good practice and to externally assess these at a regular period.

- **The vision and values of the Trust and the academic standards attained**

The Directors and the Governors should seek at all times to preserve and fulfil the vision and values of the Trust, honouring the principles upon which the Trust was founded. The Governors should report to the Directors on any OFSTED or other inspections and reports. Equally the Directors should be informed of trends and actual academic outcomes and other key indicators identified by OFSTED (or any successor body) in order that the Directors may broker support and advice from within (or beyond) the Trust to minimise the possibility of the Secretary of State using his or her reserve powers in relation to one of the Schools for which the Trust is responsible.

- **The financial integrity of individual academies**

The Directors reserve the right to direct the Schools to bank with a named bank and to direct Schools to use the services of agreed auditors. The Trust Board reserves the right to have annual agreed budget plans, termly budget summaries and annual outturn statements reported to it. Schools will not be permitted to operate deficit budgets without specific approval from the Trust Board. The Governors will agree such policies as required to comply with DfE requirements on the operation of academies, including in relation to the procurement of goods and services. The Governors will appoint a

suitably experienced “responsible officer” who will oversee the financial integrity of the School with a particular reference to levels of delegation and the avoidance of over-reliance upon key individuals.

- **The capacity of the Trust Board and the Local Governing Committees to discharge their duties**

The Trust Board and individual Local Governing Committees will be expected to make an annual self-assessment of the skills and experience they require and their capacity to fulfil those requirements. Plans to mitigate deficiencies should be passed to the relevant Local Governing Committee and the Trust Board. All Directors and Governors are required to hold an enhanced Criminal Records Bureau certificate and to make a declaration of interests at the beginning of each meeting. The Company will operate a Conflicts of Interest policy. The Company will ensure that good quality legal advice is available to the Trust Board, the Schools and those responsible for running the Schools on a day to day basis.

APPENDIX 5

CONFLICT OF INTEREST POLICY

Why we have a Policy

Directors of a charity have a legal obligation to act in the best interests of the charity. For the purposes of charity law, the Directors are those people who are responsible for the general control and management of the administration of the charity. The Academy Trust is an “exempt” charity, the Principal Regulator being the Secretary of State for Education. The Articles of Association explain what the Directors must do to avoid situations where there may be a potential conflict of interest.

Conflicts of interests may arise where an individual's personal or family interests and/or loyalties conflict with those of the Trust. Such conflicts may create problems; they can:

- inhibit free discussion;
- result in decisions or actions that are not in the interests of the Trust; and
- risk the impression that the Trust has acted improperly.

The aim of this policy is to protect both the organisation and the individuals involved from any impropriety and/or any appearance of impropriety. This Policy operates without prejudice to any of the provisions in the Trust’s Articles of Association relating to conflicts of interest.

The Declaration of Interests

Directors, Governors of the Local Governing Committees and all staff must declare their interests, and any gifts or hospitality received in connection with their role in the Trust. A declaration of interests form is provided for this purpose, listing the types of interest you should declare. All interests, including gifts of a value over £50, must be notified to the Trust Chair and a Register of Interests will be maintained by the Trust.

To be effective, the declaration of interests needs to be updated at least annually and also when any changes occur.

If you are not sure what to declare, or whether/when your declaration needs to be updated, please err on the side of caution. If you would like to discuss this issue, please contact the Trust Chair for confidential guidance.

Data Protection

The information provided will be processed in accordance with data protection principles as set out in the Data Protection Act 2018. Data will be processed only to ensure that Directors, Governors and all staff act in the best interests of the Trust. The information provided will not be used for any other purpose.

What to do if you face a Conflict of Interest

If you have a direct or indirect interest in:

- a) a proposed transaction with the Trust; or
- b) any transaction or arrangement entered into by the Trust which has not previously been disclosed;

you must disclose the nature and extent of that interest, whether or not you receive any actual benefit as a consequence of the interest. You may have an indirect interest in a matter if a family member or friend has an interest in the matter.

As good practice, every Director and Governor should declare any private interest which he or she has in an item to be discussed at the beginning of every meeting, and certainly before any discussion of the item itself. You should not be involved in decisions in which it is possible that a conflict will arise. You should declare your interest at the earliest opportunity and withdraw from any subsequent discussion.

If you fail to declare an interest that is known to the Clerk and/or the Trust Chair or the Chair of the Local Governing Committee, the Clerk or Chair will declare that interest.

Decisions taken where a Director, Governor or Staff Member has an Interest

In the event of the Trust Board having to decide upon a question in which a Director, Governor or member of staff has an interest because of a duty or loyalty (however indirect) that they owe to another organisation, they will do so by vote, with a simple majority required. The conflicted individual may be present when the matter is discussed but must not take part in the discussion or vote on any matter relating to the discussion and a quorum must otherwise be present for the discussion and decision.

An individual will generally not have a conflict of interest or loyalty simply by virtue of the fact that he or she has been appointed or nominated to the Trust Board or to the Local Governing Committee by a third party and the Trust has dealings with that third party, but if any undue influence is exerted by that third party or the individual has an interest in the matter for a reason other than mere appointment or nomination, then the circumstances will need to be reconsidered.

All decisions made where there has been a declared conflict of interest will be recorded by the Clerk and reported in the minutes of the meeting. The report will record:

- the nature and extent of the conflict;
- an outline of the discussion;
- the actions taken to manage the conflict.

APPENDIX 8

**Building a stronger community together,
united by our love of God**

All Saints' Trust Reserves & Treasury Policy

**Wisdom & Knowledge – Hope & Aspiration – Solidarity – Dignity & Respect –
Rights & Responsibility – A positive, Open & Honest Culture**

Rationale

As a trust of Catholic schools, we are committed to working together in a trusting and collaborative manner, with integrity and transparency. We will model the leadership in the trust and in our schools on the example of our Teacher, Jesus Christ, “who came into the world to give witness to the truth, to save and not to judge, to serve and not to be served.” (*Gaudium et Spes*, 3).

Directors must ensure that the funds received by the trust are used for the purposes intended. They must also set a balanced budget. The Education and Skills Funding Agency (ESFA), the regulator, expects academy trusts to maintain appropriate reserves.

The purpose of the reserves policy for the trust, is to ensure the stability of the trust and its schools in the light of changing economic conditions, educational priorities and student needs. The aim is to protect its operations and have the ability to adjust quickly to financial requirements, such as large unplanned expenditure, cyclical maintenance and working capital requirements.

The trust holds reserves in order to provide sufficient working capital to cover delays between spending and receipt of grant income, to provide a cushion to deal with unexpected emergencies such as urgent maintenance, pressing school improvement priorities and to build up funding for strategic growth & development.

Trust Funding

The majority of the trust's income comes from public sources; that is from the taxpayer. Funding does not 'belong' to a school or even to the trust. It belongs to the pupils that the trust educates. Directors have an obligation to ensure that **every pupil in every trust school has access to the best education, including high quality learning environments**. This is in line with the trust's commitment to the Common Good.

The trust is responsible for all its resources, which are at risk from funding levels due to changing macro- economic circumstances.

Trust expenditure

The main areas of expenditure are staff salaries, the acquisition and maintenance of tangible fixed assets (mainly buildings) and other operating expenditure.

Staff salaries are relatively stable within a year and from year to year. However, there is some risk from nationally negotiated pay settlements during the year. Teaching and support staff are critical to the continuing delivery of high quality education to students. It is therefore imperative that a minimum reserve is maintained to ensure that there is no interruption in their payment due to any short term liquidity constraints arising from other issues. The trustees consider that a minimum 1.75 months' of staff costs reserve, is sufficient without being overly prudent.

With respect to fixed assets, it should be noted that the value in the financial statements does not reflect actual original cost or replacement cost. This is because the buildings are owned by the RC Diocese of Westminster and occupied under licence by the trust. However, they are maintained by the trust.

Level of reserves – whole trust

New building and condition improvement works run the risk of cost over runs against those budgeted, through either changes in scope or inflation. In existing buildings, there is the risk of unexpected major structural issues arising, such as RAAC, or other concerns such as the discovery of previously "hidden" asbestos requiring immediate, and therefore unfunded attention. On an operating level, there is a risk of unplanned emergency maintenance, for instance to boilers or electrical infrastructure, as well as inflation.

Other operating expenditure is relatively secondary and does not required separate consideration with respect to reserves.

Consequently, school-held reserves that exceed the level set by the Trust (please see below) will be held centrally and allocated to school or trust-wide development priorities, unless the school has identified priorities and the trust has approved these. The level of reserve will be recalculated each year to match grant funding.

Level of reserves - held locally

Income reserves will be held centrally. However, trustees consider that individual schools should hold a locally held income reserve equivalent to 10% x their general annual grant. The income reserve will be as per the audited accounts. In the event that a school's year end audited income reserve is less than 10% x GAG, it will not be topped up from central reserves. Where a school has a deficit income reserve, it will follow a 3-year recovery plan to eliminate the deficit.

Target level of reserves

In setting a target level of reserves, it is important to balance the interests of current and future students. Too prudent a reserve will prejudice the interest of current students to the advantage of future students and vice versa.

There are two components to the target level of reserves.

Firstly, they should cover future expected capital expenditure that will not be funded from other sources.

Secondly, reserves are required against future adverse uncertainties. Given that the financial consequence of future adverse events that are unknown or uncertain cannot be quantified or accurately estimated, the appropriate level of this component of reserves is very much a matter of judgement.

Having considered the risks outlined above and the imperative of being able to pay staff salaries and associated costs on time, this component of reserves should be equal to 1.75 months' staff costs.

Reserves will naturally fluctuate in the light of changing circumstances, and it is therefore necessary to set a maximum and minimum level within which reserves may vary. The trustees consider that the minimum level of reserves should be future expected unfunded improvement capital expenditure plus one month's staff costs.

The trustees consider that the maximum level of reserves should be future expected unfunded improvement capital expenditure plus 2.5 months' staff costs.

Individual school reserves

The proposed use of reserves for school projects should be identified in the school development plan and in the approved 3-year budget. The trust reserves the right to direct a school to use reserves for identified condition improvements.

Where a donor wishes to donate substantial monies, i.e. in excess of £5000 to a specific school, that school will keep those monies locally to use as agreed with the donor. They will not form part of the central reserve.

Treatment of in-year surplus / deficit

Where an individual school has an in-year revenue surplus or deficit, the following applies:

Surplus

An in year surplus that exceeds the level set by the Trust will be transferred to central reserves. The school will have the opportunity during the budget setting process to set out the planned use of such reserves

Planned in year deficit

Planned budgeted deficits in individual schools must be approved by the trust board. This will be where the school is facing challenging circumstances e.g. declining roll, urgent building need etc. In such situations, there will be a 3-year recovery plan which leads the school to a balanced budget.

Use of Central Reserves

Central reserves will not be used for central operating costs. The centre will have a balanced 3-year budget based on the central services charge. Central trust reserves will be used for the following purposes:

- Supporting a school through a planned budgeted deficit while a recovery plan is being actioned.
- Improving the school estate, over and above the school condition allocation (when applicable).
- Improving the ICT infrastructure across the school estate
- School identified projects that cannot be funded from school held reserves

There will be a transparent process for the use of trust central reserves. School leaders will be involved in the identification of priorities.

Capital funding

CIF and devolved formula capital will be held locally and school condition allocation (SCA) funding will be held centrally.

Treasury Policy: Investment of cash balances

Cash balances arising from reserves may be invested to generate additional income for the trust as a whole. However, when investments are made the following principles will be strictly adhered to:

- Cash may only be deposited with a UK bank with a long term credit rating of investment grade from a major ratings agency.
- The trust board shall ensure that all trust funds are in the name of the trust.
- The trust board shall ensure that all securities which are the property of, or in the name of, the trust, are held in custody under safe arrangements.

Pension reserve

The total reserves at the end of each financial period includes restricted funds and any pension deficit. When accounting for the Local Government Pension Scheme (LGPS), the trust will recognise a significant pension fund deficit. This deficit is included within restricted funds. This does not lead to an immediate liability for this amount. Similarly, if there were a pension surplus included in the restricted fund, this would not create an immediately realisable asset that could be released and expended in respect of the educational priorities of the trust.

A deficit or surplus position of the pension scheme would generally result in a cash flow effect for the trust in the form of an increase or decrease in employers' pension contributions over a period of years. The trust takes this fact into account when reviewing business plans and budgets, ascertaining how the pension costs might affect budgets in the future. Accordingly, increased pension contributions, in respect of any deficit, should generally be met from the trust's budgeted annual income.

Therefore, there is no requirement for a specific pension reserve additional to that calculated by the actuary.

Schools joining the Trust

Any surplus balance brought into the trust on school conversion, will remain with the enlisting school and will be deployed as follows in order of priority:

- To address urgent compliance and health and safety issues at the time of conversion, as well as other pressing requirements determined by due diligence e.g. school improvement. Compliance and health and safety issues will normally be determined by a condition survey commissioned on joining the trust.
- Any remaining balance brought forward will be added to reserves (noting any specific project or programme for which the reserves have been designated).
- Where there is a deficit transfer to the trust on conversion, the joining school will be the subject of a specific recovery plan agreed with the board and the ESFA prior to entry.

Right of appeal

In accordance with the Academies Financial Handbook, the trust acknowledges an individual academy's right to appeal against a decision made by the board to access its strategic reserves. If a constituent school's Head Teacher feels that the academy has been unfairly treated, they should first appeal in writing to the trust Chief Executive Officer ("CEO"). The CEO will consider the appeal and notify the Headteacher of the school of his/her decision within 10 working days of receipt of the appeal.

This policy will be reviewed annually by the Trust Board.
